

Salem United Church of Christ

2012 Youth Group Mission Trip

Sunday, June 17 - Friday June 22, 2012

Onancock, Virginia, is a small rural town on the eastern shore of Virginia. Our group will have an opportunity to complete home improvement projects and serve local children while enjoying the simple pleasures of God's creation. Examples of service sites include Kids Club and Work Projects. The Kids Club is a hands-on program offering high energy games, crafts, skits songs and interactive lessons led by our youth. Work projects may include painting houses, performing minor home repair, cleaning up debris, volunteering in community gardens or other community projects. All are a blessing to the community and people in need.
